The dividends, including the proposed final dividend together with dividend tax of Rs.186.30 lakhs absorb a sum of Rs.1101.45 lakhs.

The Company proposes to transfer an amount of Rs.1800 lakhs to the General Reserves. An amount of Rs.1674.34 lakhs is proposed to be retained in the Statement of Profit and Loss.

Management Discussion and Analysis Report

After two years of stagnant demand for spare parts, your Company witnessed a sales increase of 3.5% for the year under review.

Demonetization affected our sales in November, December and January. Better product mix, better margins and additional product lines enabled the Company to increase its operating income by 13.08%. PBT increased by 6.75% from Rs 37.87 crores to Rs 40.42 crores. However, most of the non-operating income this year is taxable, resulting in a higher tax on other income.

Your Directors are pleased to inform that the process of acquiring 76% stake in the equity of CAPL Motor Parts Private Ltd, a spare parts distribution company in Ahmedabad is in progress. We expect this to be completed soon.

INDIA MOTOR PARTS & ACCESSORIES LIMITED

We see continued effort from the vehicle manufacturers to have most of the spare parts channeled through them to the vehicle dealerships. In addition, vehicle manufacturers through their dealership channels are now able to give longer term warranty for both passenger cars and commercial vehicles. This change is limiting our growth especially in the power train segment, viz. engine, gear box, axles etc. We continue to look for additional spare parts lines to give us growth in the passenger cars and commercial vehicles segment.

Expected introduction of GST from 1st July 2017, may have an adverse effect on sales in the first half of 2017-18, as the trade learns to adjust to the new indirect tax regime. Medium to long term, GST is expected to be beneficial to the organized sector of spare parts distribution trade.

Your Company will likely open few more branches to improve availability of parts to areas where growth in transport activity is expected.

Internal Control Systems

The Company has an established and adequate Internal Control System with appropriate policies and procedures covering all areas of operations commensurate with the size of the business. Based on the reports, appropriate and suitable action as required are undertaken.

During the year under review an Independent Chartered Accountant conducted an audit of the Internal Financial Controls over Financial Reporting.

ANNEXURE A

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF
EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF
INDIA MOTOR PARTS AND ACCESSORIES LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of India Motor Parts and Accessories Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
